Priced competitively and new to the market, please contact us to discuss this fine opportunity in more detail and to make viewing arrangements before its too late.....

Layout / Interior

This example of the Sunseeker Manhattan 50 comprises of six berths spread between three cabins. The Master cabin is located Midships with a double berth and its own en-suite. There is a second double cabin Forward with access to the second heads as an en-suite. The twin cabin is to Starboard, which shares the heads.

INTERIOR COLOUR SCHEME:

The interior of this example of the Sunseeker Manhattan 50 has been well considered with the very desirable high gloss cherry cabinetry throughout and chrome door furniture and light fittings. The saloon seating is finished in a luxury cream leather upholstery with all head linings being in champagne novasuede. In the cabins the bed surrounds, headboards and carpets are finished in a complimentary finish. This example of the Sunseeker Manhattan 50 has a carefully considered and tasteful interior design scheme with all curtains, blinds and throw cushions blending nicely with interior finishes.
