Sunseeker Portofino 48 (2011 Model Year). Twin Volvo Penta D6 IPS 600 (435Hp each). Probably one of the nicest examples of the popular Portofino 48 model from the Sunseeker stable of luxury powerboats. This example looks stunning with her full black hull and white superstructure and she is fully serviced and prepared for the 2019 season having just completed her annual maintenance schedule. The attention to detail in her specification and choices of fabrics used are second to none and the options include contemporary Oak interior finish, Air Conditioning, Upgraded Generator, Hydraulic Passerelle, Electric Canopy for aft cockpit, Hydraulic Platform, Dynamic positioning system plus much much more. Lying in the UK and available immediately, this example is competitively priced and has to be viewed if you're looking for a well finished and highly specified example of the legendary Sunseeker Portofino 48. Please call now to make viewing arrangements and discuss this fine example in more detail.

## Layout / Interior

The Sunseeker Portofino 48 has 4 berths arranged between 2 cabins. The Master cabin is situated midships to give the ultimate comfort and space for the owner with its own ensuite heads. The VIP Guest cabin is located forward and provides twin berths that scissor into a double berth giving great flexibility and ensuite heads. The galley is to port with saloon seating to starboard. On the main deck level there is a large cockpit that benefits from a carbon fibre sliding roof to open the boat up for those hot summers days and when closed creates a luxurious and comfortable atmosphere.

## Specification

### Interior Colours:

Finished in the highly desirable contemporary oak cabinetry throughout. The upholstery in the saloon is finished cream leather while all roof, side linings and window bands are finished in a rich champagne vinyl, the saloon and living areas are finished with creme textured carpets throughout. The galley worktops and head vanity tops are finished in black granite and each cabin has a slightly different theme due to the well-considered selection of fabrics used for the bedding and scatter cushions. The galley & heads benefit from Venetian blinds and all sockets, switches and light fitting surrounds are finished in a contemporary chrome finish.

### Cockpit Colours:

The helm seats, cockpit seating, aft sunbathing cushions and bow sunbathing cushions are finished in white silvertex upholstery. The under-screen area and consoles are finished in graphite with carbon fibre dash panels. The aft cockpit has a teak floor along with the transom steps and bathing platform and the deck, hard top and cockpit are finished in a stylish white gelcoat finish.
