Layout / Interior

The Karnic 2452 Sundeck has a well thought out cuddy cabin forward with room for 2 berths. The head is thoughtfully located in a separate compartment and the cabin gives enough room to store some fishing rods and has enough space to hide from the elements when needed. The aft cockpit is spacious and uncluttered with comfortable seating and wetter. The Karnic 2452 is a practical well thought out walkaround giving great access to all areas of the boat.

Interior Colours: The interior is tastefully and practically finished in a light coloured headlining with red upholstery and a contrasting wooden floor and cabinetry.

Cockpit Colours: The cockpit is mainly finished in a tan vinyl upholstered seating with a non-slip fibreglass deck making the cockpit easy to clean. This example benefits from a console and seating tonneau cover in black sunbrella.
