Technohull 999 Sea DNA Luxury performance RIB (2018 Model) Twin Mercury Racing 400R Petrol Engines (400 Hp Each).

Technohull are synonymous with Luxury high performance RIBS and this example is no exception and is probably one of the finest quality High Performance RIBS available in the current marketplace. Moore Yachts are extremely pleased to represent this truly stunning example of Technohull 999 Sea DNA. This example of the Technohull 999 was built to a very high and precise specification for her original owner and benefits from a long list of extras including electronics package, flexi teak decking, upgraded stereo system, low level courtesy lights, Hard Top, Black tubes and the highly desirable and most powerfull Mercury 400R engines.. The attention to detail and selection of materials when this example was built shines through in the finished product and the build quality speaks for itself when viewed. Please call before its too late and take advantage of this fantastic opportunity to acquire a rare and sought-after example of a High Performance Technohull in the UK..... Further Pictures and Video available upon request.

## Layout / Interior

The Technohull 999 Sea DNA High Performance RIB has comfortable seating for 8 passengers in addition to a well thought out convertible sunbathing area at the bow. There is plenty of storage aboard under the seating and the large locker under the transom seats. The console has a large opening with sunbrella cover to allow changing in private and the possible use of a Porta Potti....
