Description

Boston Whaler 220 Dauntless (2023 Model / 2022 Build) Mercury V8 with White Cowling (250Hp). Moore Yachts are truly excited to offer this very well specified and striking Boston Whaler 220 Dauntless for sale. This example has been specified to the highest standard and benefits from many upgrades including Platinum Grey Hull, Premium Fusion stereo with JL Audio Amps and JL Audio M6 Speakers, Raymarine Axiom 12 MFD with chart-plotter/GPS and fish finder, Raymarine DSC VHF, Lumishore underwater lights plus much, much more. Based in Poole at the home of Boston Whaler in the UK, this fine vessel is available immediately and can be enjoyed for the remainder of the season, fully serviced, anti fouled, polished and looking as good as new, this is a great opportunity to beat the waiting list and save significantly on new. Boston Whaler in our opinion is the premium 4x4 sports fisher of the sea and this opportunity is not to be missed... Please contact us for further information and to discuss this very rare and unique opportunity in more detail before its too late.....

Layout / Interior

The Boston Whaler 220 Dauntless accommodates up to 9 passengers under her CE marking, ideally suited to 6/8 Guests. Her open plan layout is well designed with Twin Helm seats incorporating flip up bolsters, two flip up seats at the transom and a double lounge seat in front of the centre console. The bow section has a neat anchor locker and additional storage area with additional cushioning perfect for extra seating or sunbathing. Inside the large centre console is a Porta Potti toilet with sensible access and this area doubles up as ideal storage to keep all your belongings safe and dry. Under the front lounge seat is additional storage and fishing rod storage as well as storage for the optional ski pylon. The open plan layout is generous for her size and walking around the boat is a comfortable and safe experience. The Bulwarks are finished to a sensible height and makes the vessel feel secure. Access onto the transom is easy when the flip up transom seats are down and there is plenty of non-slip surface around the boat to feel secure under foot. The 220 Dauntless benefits from many drinks holders and fishing rod holders scattered around the boat and there is a removeable table that fits neatly in the bow section between the lounge seating and anchor lockers perfect for entertaining when on board, when not in use the table fits neatly into the locker lid above the lounge seating and is easy to fit when needed.

COCKPIT COLOURS:

The cockpit is finished in a stylish tan vinyl upholstery which is in excellent condition. The cockpit comings are white around the boat and the console benefits from tan gelcoat feature panel running through the centre where all the instrumentation is located, the remainder of the console is finished in a white gelcoat to match the rest of the boat. The colourings of the finishes and upholstery complement each other well giving a stylish and luxury look with the feeling of a well-made and engineered boat. The cockpit floor benefits from an optional upgraded synthetic tricolour teak finish to add to the luxury feel. The console cover is finished in an upgraded lightweight black waterproof material.

Specification

This vessel is available immediately and is stored ashore at Lake Yard. The boat has been fully polished, anti-fouled, serviced and prepared for the 2024 season.
