Description

2024 Model Cobra RIBS Nautique 7.7 with Mercury Marine 300Hp V8 Petrol Engine. Moore Yachts is privileged to present this stunning 2024 Cobra Nautique 7.7m RIB, powered by the highly sought-after Mercury V8 300hp outboard engine. Finished to an exceptional standard, this boat features a thoughtfully designed colour scheme and top-tier specifications, making it arguably the most desirable Cobra Nautique 7.7m available on the market today — and at a significant saving over new. With only commissioning hours on the engine and a UK road trailer included, this RIB is effectively a brand-new vessel. Pristine condition and ready for immediate use, it offers the ultimate combination of speed, style, and performance in a fast RIB of its size. Whether as a swift family runabout or a luxurious Superyacht tender, this rare opportunity is not to be missed. Moore Yachts is thrilled to offer this premier boat and invites all inquiries. Contact us now to learn more before it's gone.....

Layout / Interior

The Cobra RIBS Nautique 7.7 accommodates up to 11 passengers under her CE Catagory B marking, ideally suited to 6/8 Guests. Her open plan layout is well designed with Twin Helm seats incorporating flip up bolsters, A large bench seat at the transom and a signgle lounge seat in front of the centre console. The bow section has neat cushioning perfect for extra seating or sunbathing when the additional infil cushion is put in place. Inside the large centre console is an ideal storage area to keep all your bags and equipment for a day out on the water and keep all your belongings safe and dry. The open plan layout is generous for her size and walking around the boat is a comfortable and safe experience. The Bulwarks are finished to a sensible height and makes the vessel feel secure. The Cobra RIBS Nautique 7.7 benefits from a removeable table that fits neatly into either the bow or aft seating areas perfect for entertaining when on board, when not in use the table fits neatly into the aft locker and comes with its own storage bag and is easy to fit when needed.

COCKPIT COLOURS:

The cockpit is finished in a stylish tan luxury upholstery which has the feeling of a premium supercar type feel due to the design of the stitching and embossed look. The cockpit comings and Hypalon Tubes are white with the tubes having a carbon weave effect to give the added feel of luxury, additionally there are some black feature panels to give that extra detail and match in with the branding on board. The Centre console benefits from a well designed and ergonomic Carbon Fibre feature panel running through the centre where all the instrumentation is located, the remainder of the console is finished in a white gelcoat to match the rest of the boat. The colourings of the finishes and upholstery complement each other well giving a stylish and luxury look with the feeling of a well-made and engineered boat. The cockpit floor benefits from an optional upgraded synthetic tricolour teak finish to add to the luxury feel. The overall cover is finished in an upgraded lightweight black waterproof material.

Specification

This vessel is available immediately and is stored ashore under cover in Christchurch, United Kingdom. The boat is ready to be enjoyed for the coming season.
