Description

Greenline Neo HT (2019 Model) Twin Mercury Verado 300 V8 Petrol engines (300Hp each). Moore Yachts are excited to present to the market this stunning Greenline Neo HT, powered by twin 2020 model Mercury V8 300hp AMS petrol outboards. This vessel is a true marvel of engineering, offering exceptional technology and luxurious features, all in a sub-35ft package. Perfect for both leisurely cruising and adventurous exploration, the Greenline Neo HT delivers an unparalleled onboard experience. The cockpit is designed with entertainment in mind. Luxurious cushions throughout the yacht provide comfort, while the rear sun pad and three helm seats with bolster cushions invite relaxation and ease. On the bow, you'll find a spacious entertainment area, which can be converted into a dining space with seating for six or a large sun-pad for lounging. Complete with drinks holders, it's the perfect spot for enjoying sunny days on the water. At the stern, the Hydraulic Swim Platform provides easy access for swimming and tender launching, complete with a boarding ladder and hideaway steps. The Greenline Neo HT packs an incredible amount of technology, functionality, and luxury and is a must-see for anyone looking to elevate their boating experience. Available immediately by her original owner, full title is offered, and UK VAT paid. Please contact Moore Yachts to discuss this opportunity in detail from a well-established and experienced Yacht Brokerage that are proud members of ABYA and have 30 years of experience in dealing with the complexities of purchasing a vessel of this calibre whether in the UK or Internationally....

Layout / Interior

The Greenline Neo HT accommodates up to 8 passengers under her CE Category B marking. Her open plan layout is well designed and feels spacious and uncompromised. As you enter the cockpit from the port side transom gate you are greeted by a large u-shaped seating area to starboard with cockpit table, and a generous island galley wetbar to port that includes a ceramic hob, Refrigerator and sink unit with hot & cold running water. The aft bench seat benefits from being able to fold out to make additional sunbathing space. There is plenty of storage in the cockpit with two large lazarettes and plenty of storage below the seating and in the wetbar. Mid-ships you are greeted by a well-designed helm area with Triple Helm seats incorporating flip up bolsters and entrance to the saloon below. Forward in front of the hard top and entered through the windshield on the port side is a nicely considered and generous bow entertainment space with table that converts to make another large sunbathing area. Below you are greeted by a v-berth with table that converts to a double berth and there is a WC and shower to starboard. COLOURS SCHEMES: The exterior gelcoat of the Greenline Neo Hard Top is finished in a striking Oyster White gelcoat with black waterline. As you enter the boat at the transom you are greeted by a clever hydraulic bathing platform that surrounds the two black Mercury engines and is finished in a stylish and contemporary grey synthetic teak with white corking which carries on through the entire cockpit. The cockpit seating is finished in a stylish Cappuccino Silvertex luxury upholstery with contrasting dark brown feature panels and Cross stitching on the backrests. The cockpit wetbar is finished with a dark sparkle worktop with the main unit and cockpit table are finished in dark grey gelcoat. All canvass covers are finished in a dark grey to compliment the colour schemes throughout the boat. Down below in the cabin the joinery is finished in a rich golden teak with Rugana (Cream) upholstery and matching carpets.

Specification

This vessel is available immediately and is moored in Poole Harbour, United Kingdom. The boat is ready to be enjoyed for the coming season.
