## **Manufacturer provided description:**

This incredibly spacious new yacht delivers impeccable performance and seakeeping with efficient cruising across a wide range of speeds, combined with straightforward handling, comfort and elegance. She truly is a remarkable feat of design and engineering excellence. Twin transom gates lead from the optional bathing platform to the teak-laid cockpit. Move up to the impressive flybridge, with its generous seating and dining area, as well as forward seating that converts to a sunbed, and you'll discover plenty of space to entertain guests.

## **PRESS REVIEW:**

Motor Boat & Yachting:

"There's no compromise on quality with the Princess 43. You can judge the quality of a brand by how it builds its smallest models and the compromises they are willing to make, and in the case of the Princess 43 it seems that compromising on quality is something the Plymouth-based yard simply doesn't do. This compact flybridge made such a big impression on our resident used boat guru Nick Burnham that he's now dreaming of owning one himself. On this yacht tour, Nick shows us all the nooks and crannies of this brilliantly put together boat, with thoughtful touches like wine bottle storage built into the saloon and a handy fridge next to the upper helm station. The presence of a shaft-drive engine set-up and proper lazarette will delight traditionalists too. That dream yacht shopping list just got a little bit longer..."
