## Description

Starfisher 34 Cruiser (2007 Model Year) Twin Volvo Penta D4 Diesel Engines (210Hp each).

Moore Yachts are privileged to present to market this stunning example of the Starfisher 34 Cruiser, powered by twin Volvo Penta D4 Diesel Engines on conventional shafts. Smooth looks and stylish design will draw all the attention either when you're sailing or moored up. Designed to be enjoyed with family or friends, both safety and performance are at their maximum onboard the Starfisher 34, thanks to its v shaped bow and evolving tunnels, allowing a fast and smooth glide. Its draft of 0,80 meters will allow you to approach and anchor in your favourite coves and beaches. This example is well specified and represents excellent value for a boat of this size with low hours and the economy of diesel engines on shafts. Available immediately by her original owner and presented for immediate enjoyment with UK VAT paid. Please contact Moore Yachts to discuss this opportunity in detail from a well-established and experienced Yacht Brokerage that are proud members of ABYA and have 30 years of experience in dealing with the complexities of purchasing a vessel of this calibre whether in the UK or Internationally....

## Layout / Interior

The Starfisher 34 Cruiser accommodates up to 10 passengers under her CE Category B marking. On deck fun is guaranteed. The layout of the flybridge reflects an appealing solution, with the stern helm seating and its attractive solarium for endless hours of sun. The open spaces on deck as well as the spacious cockpit further enhance the feeling of freedom and movement, with the bathing platform lined with teak to give you infinite hours of fun. The friendly lounge-dinette benefits from an L-shaped sofa and a table, with an in-line functional Galley. Down below in the accommodation area you are greeted by two cabins, one on the port side and the other at the bow with a large central double bed and wardrobes on either side. To Starboard are the Heads with all the necessary elements, shower with screen, electric WC and wash basin in order to give you all the comfort you need whilst on board.

COLOURS SCHEMES: The exterior gelcoat of the Starfisher 34 Cruiser is finished in a striking Off-White gelcoat with Navy & Grey waterline. As you enter the boat at the transom from the teak laid bathing platform you are greeted by a spacious cockpit with aft bench seating covered in white vinyl. All cockpit and flybridge upholstery are finished in white vinyl and the flybridge and bow area benefit from sunbathing cushions. The Cabinetry inside is finished in a stylish and traditional wood and all flooring below is finished in a luxurious teak and holly style planked wooden floor. The saloon and helm seating are finished in a cream leather upholstery and there are complimentary cream curtains throughout. The master cabin and stair risers are finished in a luxurious cream carpet to enhance the comfort on board. The heads are finished with stylish Avonite counter tops that also hide the W.C. along with Navy Curtains to give a nice contrast. Additionally, there are various scatter cushions to compliment the overall finish, and the layout and colour schemes have been well considered on this example of the Starfisher 34 Cruiser. All covers are finished in a Navy Sunbrella.

## Specification

This vessel is available immediately and is moored in Poole Harbour, United Kingdom. The boat is ready to be enjoyed for the coming season having just been serviced.
